

Sudha Rustagi College of Dental Sciences & Research, Faridabad

celebrated ORAL AND MAXILLOFACIAL SURGERY DAY

Oral & Maxillofacial Surgery day was celebrated on 13th February, 2023. On this occasion, a series of guest lectures was organised by the Dept. of Oral and Maxillofacial Surgery

The guest Speakers of the day were Dr Dharendra Srivastava and Dr Athreya Rajagopal who gave lectures on Saving Faces, Saving life and Facial Aesthetics - A Maxillofacial perspective respectively.

Various competitions like Suturing competition, Essay writing were organized for Post Graduate students and competition like Quiz and Table clinic were organized for Under Graduate students and Interns. Various teams participated in the competition and at the end of session, prizes and certificates were distributed to the participants by the organizers. The Oral Surgery Department including Dr Ashish Gupta, Dr Pankaj Bansal, Dr Sneha Sharma, Dr. Himani Gupta and all the Postgraduates planned and executed the whole programme in an excellent way.

A Walkathon was organized from College campus to Omaxe World Street wherein many students and faculty participated to make the event a huge success.
